Spring Term 2009 issue 1

23 January 2009

Football team play Beaconsfield Primary

On Wednesday the school's football team played their first match of this term.

The game was played against Beaconsfield Primary, who have very limited sporting facilities. Our team won 8:0.

Dualeh, the captain, reported that Beaconsfield played very well. He said, " *They did play well, they had many chances to score goals. Our goalie, Zubair made lots of brilliant saves! Their goalie also saved some goals but Leon, Abas Asharn, and Azhan were all too good for him and they all scored.*"

Well done team.

Cycling Proficiency training for Y5

Our Year 5 pupils are enjoying learning how to safely cycle on our local roads.

Each year we have the chance to help our children to gain the Nationally recognised 'Cycling Proficiency' certificate and badge. The children are taught by two trainers about the highway code and techniques of safe cycling.

There are 2 more weeks before they take their tests.

Good luck children!

Year 5 trip to Somerset

27 pupils from Year 5 and 3 members of the teaching team travelled to the borders of Somerset and Dorset last week for five days of adventurous activities. The trip was subsidised by the Young peoples trust for the environment. Everybody had a very good time and learned a lot about the area and survival skills. The children were brilliantly behaved and were a credit to both the school and their parents.

The children will give their parents a presentation about what they did next month.

**Winter Party
Tonight 6.0 - 8.0
Tickets available
on the door!**
