

Dormers Informer

Summer term 2008 issue 2

2 May 2008

Family Links for Parents

Mrs Dieton and Ms Jones, two of our parents, have started a group to support parents who are looking at ways of helping them to work more positively with their children. The group met for the first time on Thursday morning. "It went really well!" enthused Mrs Dieton afterwards, "all the parents who came along said how much they had enjoyed it and how much they were looking forward to trying out the ideas!"

The current series of sessions is due to last for the whole of this term but because there are already some other parents eager to join a second group could start after half term.

Look out for fliers from the PTFA about the next series of support sessions if you are interested in joining in.

Remember
Monday May 5th
is a Bank Holiday and
School will be closed
on that day

Water bottles

We know that the children learn better when they have water freely available for them at their desk. We have drinking water in EVERY classroom. However not all the children can be getting up and down for a drink throughout a lesson so they need to have a plastic, screw topped bottle on their desk to use throughout the day. Children can replenish them in their own classroom. Children can also bring a piece of fruit to eat at play-time.

Cricket wicket renewed

The school has had an all-weather surface cricket wicket for many years but it had deteriorated badly, to the point where we had to either renew or remove it. Our PTFA have donated a fabulous £500 to have it renewed and Mr Rowsell, our PE and Games teacher is looking forward to using it this summer.

Our thanks to the PTFA for all their hard work fund raising!

School Web Site:
www.dormerswells-jun.ealing.sch.uk

We are collecting
Sainsbury
Active Kids
vouchers

We now
have over
8000 Tesco
Vouchers..
Keep them
coming in!

FUN DAY

23 May 2008

A fun day of fund raising and
muchmuch more!

Testing Week 12-16 May

All the children in the school will be having pencil and paper tests in this week. Please remember that all pupils need a good breakfast and they need to attend school on time every day!
