

Dormers Informer

Summer Term 2009 issue 2 8 May 2009

Football replay!

On Wednesday our football team played St Joseph's of Hanwell (one of the premier school teams in West London) in the semi final of the prestigious Peel Shield. Dormers went ahead early in the first half. The goal was the result of excellent team work. St Joseph's came back strongly in the second half and scored an equaliser. This was followed by some dogged defending from Dormers. The score was still 1:1 at the final whistle, which led to a period of extra time. At the end of this period there was no change in the score, despite some close opportunities from both sides.

The team performed brilliantly and Mr Rowsell commented, "It was the best performance by the team since I started at Dormers."

The replay follows on Wednesday 20th May on our pitch. All support welcome
By Miss Mulvany

Swine Flu update

We are pleased to say that no cases of swine flu have been reported in Ealing. Our school is continuing to operate as usual. If your child does have symptoms of flu please keep them at home and let us know as soon as possible and also contact your doctor.

The advice from the government is to use a tissue and to wash one's hands to keep the risk of infection to a minimum. Please make sure your child has tissues to use to wipe their nose.

We are providing soap and paper towels in each class room to help our pupils to be as germ free as possible.

11 - 15 May 09: Y6 SATs and School test week for all pupils

18 - 21 May 09: Special week ending in Fun day.

22 May Fun day

25 May - 1 June 09: Half term

9 & 10 June Y3 to visit the Wetlands centre

15 - 19 June Learning in Harmony display in the main school hall.

23 June Y5 visit Dormers Wells High school for 'Maths Challenge'

16 July Y6 performance to parents

Language of the Month

Mrs M FIGUEIRA came into the school assembly today to help our Portuguese speaking pupils to launch our Language of the month.

Each month we will focus on one of our languages in the school. All our pupils will be encouraged to learn some words from the focus language and to use them in school.

Mrs Figuera, a parent helper in school, bravely agreed to help us launch this important new initiative in our school. Our thanks go to her and Fabio, her son, who also played a leading part.

Test Week
11 to 15 May
All children will have tests in English, maths and science.

Activity week
On the back of this newsletter is a list of all the activities on offer for them in the week before half term. Please look at the options with your child and help them to select some activities to try during the week. They will be choosing each afternoon next week.
